

REVIEW YOUR HOMEPAGE

1

Log In: Visit the website and log in with your account to view your personalized homepage.

2

Review your Course Materials:

Your registered courses and corresponding materials will display on this page. They will be labeled by digital and physical format so you know which will be shipped and delivered and which ones you will access online. **Please note that digital formats will be fulfilled through your LMS.**

3

Confirm Delivery Location: Students should review the delivery location of physical items, which is located at the top of the page. You can edit the address if you want it to go to a different location. **Please note, if materials have already been shipped for the term, you will not be able to edit the address for the current term.**

4

Timeline: Once your items are sourced by the bookstore, you can review when they will be sent and delivered via your timeline. Scroll down past your course material information to view the timeline.

5

Frequently Asked Questions: Scroll down to the bottom of the page to view an FAQ with more information.
